

**Gulf Global**

Technologies & General Trading L.L.C

**Empowering Global Trade, Logistics, IT  
Technology and Telecom with Excellence**

# About Us

Gulf Global Technologies and General Trading (GGTGT) was established in 2017, with a vision to be one of the leading Technology and System Integrators in the UAE.

During our journey since 2017, GGTGT has positioned itself as a leader across multiple sectors, including general trading, cargo services, transportation, technology solutions, and telecommunications in the UAE.

Lead by a team of Experienced & Qualified Professionals, GGTGT has always offered diversified be-fitting customized solutions to all our customers.

Our Core team consists of highly qualified and experienced professionals carefully selected with an objective of providing our valued customers with the right technology solutions within the right timeframe.

GGTGT works closely with reputed regional and international business partners with strong track records. Through the long-term relationships with these organizations, we have been able to offer total turnkey solutions to our customers.
